## Exciting things are happening at Mimico GO!

A major transformation of the Mimico GO Station is in the works. When complete, Mimico GO Station will feature:

- Two new tunnels with elevator access to the platform
- New heated shelters, canopies and snow melting systems on the platforms
- Two new Kiss & Rides at the north and south side of the station
- Bicycle/pedestrian paths and new bicycle shelters
- New access to the station from the south side

These improvements will ensure that Mimico GO Station customers can benefit from the all-day, two-way GO train service on the Lakeshore West line and its expansion coming over the next several years.
