Warranty

All Valley Major Developments townhomes are covered by Tarion Warranty Corporation.

Two Year Warranty Protection:

- The home is free from defects in workmanship and materials including caulking of windows and doors to prevent water penetration, including penetration through basement or foundation walls.
- Defects in workmanship in the plumbing, heating and electrical distribution systems.

- Defects in the materials or workmanship which result in the detachment, displacement or deterioration of exterior cladding.
- Warranties are limited to the requirements established by the Ontario New Home Warranty Plan Act.

Seven Year Warranty Protection (Major Structural):

- Defects in workmanship and materials that result in the failure of a load bearing part of the house structure or any defect in workmanship or material that adversely affects your use of the building as a home. Warranty as defined by the Ontario New Home Warranty Plan Act.
